Silver Moon

A fusion of handmade green teas blended with forest berries and natural vanilla. Decadent, with just a hint of soft spice.

Queens Choice

Orange pekoe black tea, roasted oolong tea, safflower, cornflowers, calendula, natural blackberry and natural strawberry. The light notes of roasted oolong are combined with Sri Lankan black tea.

Lady Naumi

Peppermint, spearmint, lemon verbena, lavender, black cohosh, dong quai, licorice root, ashwagandha root, St John's wort, red clover and rose petals. A blend of herbals to help calm your body and mind. The delicate floral notes are supported by soft mint with a hint of lemon.

Whimsical Whites

Minimally processed and made with the freshest leaves and unopened buds of the camellia sinensis plant, white tea boasts fruity and floral notes. Quietly spoken, don't let that fool you... White tea is complex with its smooth, delicate flavours and natural goodness.

Silver Needle

Originally from Yunnan Province, China, this tea has a light floral aroma of orchids and a delicate but sweet flavour.

Lychee, Vanilla & Rose

White tea, rose petals, natural lychee and natural vanilla. An exotic blend of florals, delicate fruits, and notes of vanilla bean.

Hemp White Light

Hemp, white tea, tulsi, nettle leaf, rose petals and jasmine flower. Treat yourself to the antioxidants of white tea and nettle, vitamin C benefits of rose and aromatic compounds of jasmine.

Glorious Greens

Green tea provides a rich and natural source of antioxidants such as polyphenols, flavonoids and catechins and is bursting with the plant based goodness. Used in traditional Chinese, Indian and Japanese medicinal practices for centuries, it's time to drink your greens.

Hua Shan Mao Feng

Fragrant and refreshing with light, sweet, vegetal notes, this green tea has flavour notes of fresh roasted almonds.

Jasmine Pearls

These delicate, hand rolled pearls are from Fujian and have a sophisticated jasmine flavour. The tea is layered seven times with fresh jasmine flowers to produce the unique flavour and aromatic blend of green tea and jasmine.

Yummy Yellows

Hailing from China with ancient influences, yellow tea is rare with a soft and delicate yet floral aroma and a unique mellow flavour. The cousin of green and white tea, the tea leaves are wrapped in wet paper or cloth to induce a mild oxidation process through steaming. The leaves are then oxidized for up to three days producing a yellowing effect.

Huang Da Cha

Also known as 'coffee of tea'. During processing the tea is heavily roasted and undergoes further processing which results in the unique flavour, similar to mild coffee.

Lola Rouge

Oolong Tea

Oolong boasts many health benefits and tickles the tastebuds with complex undertones and tantalising hints of black and green tea tastes. A little introverted, oolong tea was traditionally drunk by Chinese for centuries. With light green tea notes spilling over with floral and vegetal flavours, this tea will make you say ooooh!

Formosa Oriental Beauty

Lightly oxidised with delicious fruit and honey notes, this oolong tea produces a sweet, light, golden sip. Known as the champagne of oolongs, we say cheers to that!

Oolong Chardonnay

Oolong tea, papaya chips, orange peel, cinnamon chips, rose petals, vanilla bean and natural wine flavours. A hand blended and lightly roasted oolong bursting with light spice and fruit notes finished with soft rose and vanilla beans. The natural chardonnay notes add an unexpected flavour kick.

Bold Blacks

The world is your oyster as each black tea has a completely different taste. Strong, full-bodied and bold flavours are paired with notes of honey, malt, chocolate, toast and caramel. Pick your poison.

Beauford Black

A unique blend of black teas, where muscatel and floral notes meet caramel and anise.

Breakfast At Naumi

Holistic Herbals

A collection of flowers, fruits, herbs and spices combine into some of our most deliciously wholesome blends. Naturally caffeine free, these may be called tisanes or herbal infusions to prevent confusion with “tea” made from the Camellia Sinensis plant.
